

225UW

22" Widescreen LCD Monitor Integrated Communication Solution

- Sharp 1680 x 1050 resolution
- 16:9 widescreen aspect ratio
- Built-in 2.0 megapixel camera
- Built-in speakers and dual-array microphone
- Microsoft® Unified Communication Certification
- Microsoft® Windows Vista™ Premium Certification

Imagine coming face to face with the future of desktop communication. The 22-inch Samsung 225UW widescreen LCD display combines an integrated 2.0 megapixel webcam, dual-array microphone and built-in speakers. By centralizing and simplifying voice, video and text-based communication, the 225UW is the perfect Front End Solution as a unified communication device. Boasting everything from high resolution and fast response times to an executive-quality piano black finish and integrated USB 2.0 hub, it is just as well-rounded as it is cutting-edge. And Microsoft® certification helps ensure maximum performance with minimal hassle. More efficient, more effective communication made easy. With the Samsung 225UW, it's not hard to imagine.

225UW

22" Widescreen LCD Monitor Integrated Communication Solution

Features

Sleek, Centralized Communication

More than a bright, brilliant widescreen display, the 225UW is a comprehensive, cost-effective Front End Solution that increases productivity by unifying voice, video and Instant Messaging communication.

Sophisticated Style

With its executive-quality piano black finish, built-in speakers and touch-sensitive controls, the 225UW communicates impeccable refinement.

Smart Solutions

Features like our image-enhancing Magic technologies and an integrated USB 2.0 hub deliver easy-to-use functionality.

Microsoft® Unified Communications

Certification

By consolidating and simplifying electronic communications, the 225UW drives productivity, increases security and reduces costs.

Certified for Windows Vista™

Operating System

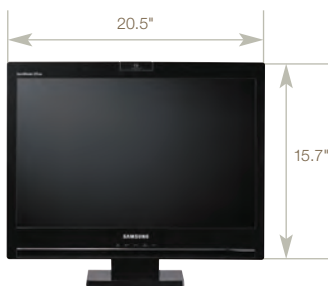

Premium certification is reserved only for products proven to take full advantage of everything the Microsoft® Windows Vista operating system offers.

MagicSpeed 5ms Response Time

Fast pixel response means fast action with virtually no blurring or ghosting.
