

INSTINCT™

SPH-M800

SPEC SHEET

FULL TOUCHSCREEN

Instinct™ has an advanced responsive touchscreen that reacts in a tactile way in response to your touch. Also works with a stylus.

ONSCREEN QWERTY KEYBOARD

Access the Instinct's onscreen qwerty keyboard in landscape or portrait mode (switch between the two). Takes messaging to a whole new level!

FULL HTML BROWSER

Surf the web faster using Instinct's built-in full HTML Browser. View your favorite web sites and even bookmark them!

2 MEGAPIXEL CAMERA AND CAMCORDER

Take and share pictures and videos anytime with the 2 MP camera and camcorder. View images and videos in thumbnail mode or scroll through larger previews with filmstrip mode.

“number one in brand loyalty seven years in a row”

Samsung mobile phones have been rated number one in brand loyalty by consumers seven years in a row, according to Brand Keys, a leading independent authority on brand loyalty.

*Many of the services and features described above are network dependent and may require additional subscription and/or usage charges. Not all features are available for purchase or use in all areas. Other conditions and restrictions apply. See carrier for more information. All talk and standby times are approximate. Battery performance depends on network configuration, signal strength, operating temperature, features selected, and voice, data, and other application usage patterns. Internet content/services designed for mobile devices.

**The Samsung Instinct™ (SPH-M800) supports Bluetooth Profiles for wireless handsets, hands-free accessories, and object exchange. Both handset must be compatible with object exchange profile. Copyrighted material cannot be transferred.
