FP-T5094W

50" Widescreen Wireless Plasma HDTV with 1080p Resolution

Specifications

10,000:1 contrast ratio. Two of the most important factors in overall picture quality, contrast and brightness, achieve new heights in these latest generation plasma panels.

1920 horizontal x 1080 vertical pixel resolution presents video and text with outstanding clarity and resolution.

60,000 hour panel life. Samsung's new panels are made to last longer, so you can be confident that the high picture quality will endure.

Built-in HDTV tuner (ATSC/NTSC)

Picture-in-Picture (PIP) enables convenient simultaneous viewing of TV and video or PC sources.

DNie™ The Samsung Digital Natural Image engine. This exclusive Samsung technology dramatically improves the picture by enhancing the contrast, detail, white balance and reduces noise.

15-watts per channel built-in audio amplifier. Powerful built-in amplifier to drive the integrated stereo speakers.

2.2 channel dome speaker

Built-in 2-way speaker system

SRS TruSurround XT™. TruSurround is a patented SRS technology that solves the problem of playing 5.1 multichannel content over two speakers. TruSurround delivers a compelling, virtual surround sound experience through the two-speaker internal playback system.

Natural true color. Samsung Plasma TV can display Natural True Color with 18 bit processing. And new algorithm adjusting color balance will let you enjoy the 'As-is color'.

Silhouette editor (false contour reduction) delivers clear images without contour lines.

Front A/V ports provide easy connections so you can connect a camcorder, digital camera, or any other digital device with no hassles.

USB 2.0 connection for playing photo files or listening to MP3 files.

V-Chip system¹ allows blocking of rated TV and movie programs determined by the parent to contain objectionable content.

Power saving (off/high/middle/low)

Trilingual on-screen displays in English, Spanish or French.

Favorite channel list

Auto Wall-Mount compatible: 3-dimensional operation via TV's remote control; no external IR receiver required.

Swivel stand

Quality

2-year parts and labor warranty.

Samsung's warranty is longer than most competitors for a reason. The product is built to last and provide years of trouble-free top quality enjoyment.
