SAMSUNG

Samsung mobile phones have been rated number one in brand loyalty by consumers seven years in a row, according to Brand Keys, a leading independent authority on brand loyalty.

"number one in brand loyalty seven years in a row"

*Many of the services and features described above are network dependent and may require additional subscription and/or usage charges. Not all features are available for purchase or use in all areas. Other conditions and restrictions apply. See carrier for more information. All talk and standby times are approximate. Battery performance depends on network configuration, signal strength, operating temperature, features selected, and voice, data, and other application usage patterns. Internet content/services designed for mobile devices.

**The Samsung SGH-a777 supports Bluetooth® Profiles for wireless handsets, hands-free accessories, and object exchange. Both handset must be compatible with object exchange profile. Copyrighted material cannot be transferred.

Get to know the SGH-a777

AT&T MOBILE MUSIC

AT&T Mobile Music provides the ultimate music experience with the push of the music button. Listen to your favorite music, watch the latest music videos, and stay in the know with music news and more.

1. From the idle screen, press the **Right Soft Key** for **Menu**.
2. Highlight **AT&T Music (1)** and press . Now you are ready to:
 - Transfer and listen to your music with the integrated **Music Player**
 - Browse and select music from leading digital music stores with **Shop Music**
 - Instantly ID the title and artist of a song with **MusicID**
 - Enjoy dozens of commercial-free music stations with **XM Radio**
 - Watch the latest music videos under **Music Videos**
 - Get the latest music news, charts, and concert info from **Community**

MOBILE EMAIL

Take your email with you with Mobile Email. You can access up to a dozen providers, including: AT&T®, AOL®, Yahoo!®, and Windows Live™ email accounts.

1. From the idle screen, press the **Right Soft Key** for **Menu**. Select **Messaging (2)**, then **Mobile Email (3)**.
2. Scroll to the e-mail provider of your choice and press (Note: you may also be prompted to select a domain name from that provider).
3. Type in your personal email address (e.g., "silverfox2"), then enter your account's password and press the **Right Soft Key** for **Sign In**.
4. You will be connected to your account's Inbox and contacts, where you can send and receive emails.

All providers may not be available on all devices. Yahoo! and the Yahoo! logo are trademarks and/or registered trademarks of Yahoo! Inc. AOL, America Online and the Triangle Logo are registered trademarks of America Online. Windows Live and the Windows logo are either registered trademarks or trademarks of Microsoft Corporation in the United States and/or other countries.

AT&T NAVIGATOR

AT&T Navigator, with GPS enabled directions, is the fastest way to get where you are going - whether across town or across the country.

1. From the idle screen, press the **Right Soft Key** for **Menu**. Select **AT&T GPS (6)**, then **AT&T Navigator (1)**.
2. Once the application is launched, press the **Right Soft Key** to select **Go** after reading the Navigator message.
3. Now you have the ability to get directions and driving information by selecting Drive To, Search, Maps & Traffic, or Tools & Extras.

For more information visit att.com/navigator.

CV

CV brings your phone to life. Watch news, sports, weather and entertainment clips while on the go.

1. From the idle screen, press the **Left Navigation Key** for **MyStuff** and select **CV**.
2. Once connected, select the program options you wish to view and press .
3. Select the clip you want to play and press .

Personalize your CV content:

1. From the CV home page, select **Customize CV**
2. Select **Edit My Favorites** and press .
3. Select the content you would like to appear on your CV Home screen and press .

Parental Controls available. See box insert for details. CV requires a MEdia Max plan.

VIDEO SHARE

Share events the moment they happen. Video Share lets you stream live video directly to friends and family.

To make a Video Share call.

1. Dial the 10-digit number of another 3G Video Share capable device*.
2. Once the call is answered, press the **Right Soft Key** for **Video Share** to initiate the Video Share session.

To accept a Video Share call.

1. When receiving a Video Share call, the name or number of the person who wants to share video with you will appear on your screen.
2. Select **Accept** and the Video Share session will begin automatically.

To end a Video Share session and continue with the phone call, press the stop icon ■.

*Video Share is not available in all markets. Both parties must be in a 3G service area — a 3G icon must appear by the signal bars prior to a call being placed, and both parties must remain in the 3G coverage area for the duration of the Video Share session.
