Get to know the Samsung Eternity™

AT&T MOBILE TV

Tune in 24/7 for full-length, broadcast quality episodes of your favorite TV shows on the networks you love.

Watching Live TV

1. From the idle screen, press **Menu** and select **TV** or you can select TV from the Widget Bar.
2. An introduction video clip will play (for the first time).
3. Highlight the **Subscribe Now** option.
4. Review the base package and press **Continue**.
5. If you agree with the Terms and Conditions press **Agree**.
6. To confirm your subscription press **Submit**.
7. The Media Player will launch and press **Program Guide** to change channels.

AT&T NAVIGATOR

AT&T Navigator, with GPS enabled directions, is the fastest way to get where you are going - whether across town or across the country.

1. From the idle screen, press **Menu** and choose **AT&T GPS**.
2. Select **AT&T Navigator**.
3. Once the application is launched, select **Agree**.
4. Now you have the ability to get directions and driving information by selecting Drive To, Search, Maps & Traffic, or Tools & Extras.

For more information visit att.com/navigator.

MOBILE EMAIL

Take your email with you with Mobile Email. You can access up to a dozen providers, including: AT&T®, AOL®, Yahoo!®, and Windows Live™ email accounts.

1. Press the **Key** and select **Messaging**, then select **Mobile Email**.
2. Scroll to the email provider of your choice (Note: you may also be prompted to select a domain name from that provider).
3. Type in your personal email address (e.g., "silverfox2"), then enter your account's Password and press **Sign In**.
4. You will be connected to your account's Inbox and contacts, where you can send and receive emails.

All providers may not be available on all devices. Yahoo! and the Yahoo! logo are trademarks and/or registered trademarks of Yahoo! Inc. AOL, America Online and the Triangle Logo are registered trademarks of America Online. Windows Live and the Windows logo are either registered trademarks or trademarks of Microsoft Corporation in the United States and/or other countries.

MEDIA™ NET

With MEdia Net, you can get the information that is important to you from the mobile web. Your local weather, your teams scores, your movie theatres are all just a few taps away.

1. Press the **Key**.
2. Highlight the content you want to view.

Personalize your MEdia Net Home Page:

1. From the MEdia Net home page, scroll to **Customize MEdia Net**.
2. Select **Edit Categories**.
3. Highlight the categories you would like to appear on your MEdia Net home page and press **Save**.

Or, personalize your Home Page from your PC:

1. Go to att.com/mymedianet from your PC.
2. Enter your mobile phone number and start choosing content to add to your Home Page.
3. Click **Update Now** to save changes.

CV

CV brings your phone to life. Watch news, sports, weather and entertainment clips while on the go.

1. From the idle screen, press **Menu** and select **CV**.
2. Once connected, select the program options you wish to view.
3. Select the clip you want to play.

Personalize your CV content:

1. From the CV home page, select **Customize CV**.
2. Select **Edit My Favorites**.
3. Select the content you would like to appear on your CV Home screen.

Parental Controls available. See box insert for details. CV requires a MEdia Max plan.
