"number one in brand loyalty eight years in a row"

Samsung mobile phones have been rated number one in brand loyalty by consumers eight years in a row, according to Brand Keys, a leading independent authority on brand loyalty.

*Many of the services and features described above are network dependent and may require additional subscription and/or usage charges. Not all features are available for purchase or use in all areas. Other conditions and restrictions apply. See carrier for more information. All talk and standby times are approximate. Battery performance depends on network configuration, signal strength, operating temperature, features selected, and voice, data, and other application usage patterns. Internet content/services designed for mobile devices.
