

2025 Samsung Electronics Supplier Talent Development System

E-learning Live Virtual In-person Expert Program Under Development

Leadership Training				
	Cultivation	Level-Specific & Change Leadership	Leadership Essentials	Job Fundamentals
Executives/ Organizational Managers	Future Executives (Basic/Advanced)	Change Leadership for Senior Managers		
	Next-Generation Leader Program			
		Capacity Building for New Managers	Performance Management	
Middle Management			Engagement Leadership	
			Conflict Management Leadership	
			Coaching Leadership	
			Team-Building Leadership	Strategic Thinking
			Effective Resource Management	Enhancing Planning Skills
			Fostering Team Members	
			Persuasion & Influence	
Staff			Strengths Management	Presentation Skills
				Adaptive Communication
				Creative Problem Solving
				Business Writing & Reporting
				Task & Time Management
				Professional Growth & Development
		New Hire Onboarding		

2025 Samsung Electronics Supplier Talent Development System

E-learning Live Virtual In-person Expert Program Under Development

Functional Training											
Expert	Manufacturing				Quality				Big Data	Corporate Management	
	On-Site Management	Equipment Management	Systems	Automation	Quality Planning (QP)	Quality Control (QC)	Quality Improvement (QI)	Quality Assurance (QA)			
	Mastering 5S & 3R Systems										
	Manufacturing Logistics Expert		Design of Experiments (DOE) Expert Program				Big Data Expert (Excel)		Training Expert Program		
	Expatriate Plant Management										
Practitioner	Basics of Production Management	PRO-3M Strategies	Basics of Smart Factory	Robot Control					Applied Big Data (Excel)		
	ESD Defect Reduction	8 Core Equipment Systems	MES System	PLC Motor Control					Applied Big Data (Python)		
	Basics of On-Site Management	Mechanical Components	ERP System	PLC Communication					Applied Big Data (R)		
	Manufacturing Cost Reduction			PC-Based Control	Internal Quality Audit	Statistical Process Control (SPC)	Design of Experiments (DOE)	Reliability Assessment & Analysis	Prompt Engineering (ChatGPT)	Talent Acquisition Practices	
	Driving Manufacturing Innovation			Vision Control							
	Manufacturing Logistics					Basic Statistics with Minitab					
Basics	Loss Analysis	Equipment & Personnel Grounding	Basics of PLC		Control Charts						
	Hands-On 5S Execution		Electrical Control Systems		7 Quality Control Tools		Process Capability Analysis		Big Data Basics (Excel)	HRD Basics	
	Site Optimization	Understanding Grounding	Utilizing PLC Sensors		Understanding ISO 9001	Measurement System Analysis (MSA)		Team-Based QC Problem-Solving		Big Data Basics (Python)	Procurement Specialist
	Operations Management		Overview of Pneumatic Control		Q-Cost Analysis & Application	Quality Inspection Practices		Six Sigma Basics		Big Data Basics (R)	Introduction to Sales
	Human Errors		Basics of PLC HMI				FMEA		Understanding Big Data & AI Literacy	Introduction to Procurement	
		Understanding IoT		Quality Control Basics							
			Electrical & Electronic Circuits
