Imagine staying in touch with everything and everyone without having to lug a heavy laptop around. The Samsung Q1 Ultra Premium is the latest version of the world's best-selling Ultra Mobile Personal Computer. Weighing in at under 2 lbs., it features an ultra bright 7" touch-screen and the latest Intel Ultra Low Voltage CPU. So you can run all your Windows® software, open all your files, check your email and open all your attachments. It's the ultimate tool for the road warrior who wants to bring it all without carrying it all. With the Samsung Q1 Ultra Premium, it's not hard to imagine.

Q1 Ultra Premium

Q1 Ultra Premium Ultra Mobile Personal Computer

Features

Full PC Functionality

The included Microsoft Windows® operating system software runs all the same software as your home or office computer.

Easier Texting

Check email, then easily reply with the large, split-QWERTY keypad.

Wireless Connectivity

Connect wirelessly with 802.11 b/g Wi-Fi or Bluetooth 2.0. Or plug into existing 10/100 BaseTx ethernet networks.

Up to 7 Hours Battery Life

The high-capacity Li-Ion battery offers up to 7 hours continuous run time.

High Resolution

1024 x 600 resolution and 300 nits of brightness give you a sharp, easy-to-view screen.

Videoconferencing and VoIP

A 300 pixel webcam and dual array mic gives you video conferencing and VoIP from anywhere. A 1.3 megapixel digital photo and video camera is also built in.

Advanced Security

An integrated biometric fingerprint reader ensures all your files are safe and secure.
