

NEW SAN JOSE HEADQUARTERS

CAMPUS

10 stories, two office towers connected, new research facility, clean room, and data center.

SQUARE FOOTAGE

1.1 million square feet including amenity pavilion, parking structure, and towers.

1.1
MILLION

COURTYARD

Fitness center in the sky, basketball/sports court, coffee shops/cafes in a park-like setting.

OPEN GARDEN FLOORS

Multiple gardens, interconnecting office atriums, and dining.

COLLABORATIVE WORK STYLE

Team collaboration zones throughout campus, employees can access exterior space from one floor.

ECO FRIENDLY

The tower is clad in white metal and clear glass, carefully balanced to reduce solar heat gain and provide a sense of lightness.

ESTIMATED GROUNDBREAKING AND COMPLETION DATES

The estimated groundbreaking date is July 2013. The estimated completion date is mid-2015.

Parking structure
